

2018-2019 Pre-K and Kindergarten Enrollment

Owasso Public Schools has scheduled Pre-K and Kindergarten enrollment dates for the 2018-2019 school year. Pre-K is a half day program and the times will be posted at your school. Kindergarten is a full day program. If you have a student who will be 4 years of age (for Pre-K) or 5 years of age (for Kindergarten) on or before September 1, 2018, you will need to complete the following steps to enroll.

Note: If your child currently attends the Pre-K 4 Year Old Program at Owasso Public Schools, you will not need to complete these steps for Kindergarten enrollment. They will automatically be enrolled at their home school, and you will need to complete Returning Student Registration in August.

STEP 1: Online Enrollment will begin Monday, March 12. The link will be available at www.owassops.org. When you have completed all the questions and submitted the information, you will receive an email confirming the information has been submitted.

STEP 2: After you complete online enrollment, a parent or legal guardian will need to come to the Enrollment Center **on your school's assigned day** with the required documents. The time and date stamp will be noted on the day you come to the Enrollment Center because the Pre-K spots are filled on a first come, first serve basis. We will not use the submission date and time from the online enrollment. Class sizes are limited only for Pre-K students. Kindergarten is open to all students who meet the age requirement.
